Dear Pastor:

Thank you for service to the Lord Jesus Christ! It is encouraging to know that there are Men of God standing in the gap and making a difference for eternity.

I would like to take this opportunity to recommend Brother Dustin Beck and to share his calling into the harvest field as a church planting missionary to the state of Montana with Fundamental Baptist World Wide Mission.

Dustin and his wife Melissa, along with their children Devin and Lydia, have been faithful members at Lighthouse Baptist Church for over 7 years and have served in many different areas. The Becks have been a tremendous help to me and have made a wonderful impact on our church and community.

Brother Dustin and Sister Melissa have a heart for the Lord and for serving others. I know that the Becks will be a blessing to your church as well as your family!

Please prayerfully consider The Becks as you continue praying for laborers and sending them forth in the harvest fields!

Thank you so much again for your time and service; I pray that you "Press On Until The Well Done!" May God richly bless you and the church that The Savior has entrusted you with.

Looking Unto Jesus,

*Pastor Avery Varnadore Jer. 29:11*
