Dear Praying Friends,

Another month has come and gone, and it was another month full of meetings. We have been in some wonderful churches and driven over five thousand more miles. We have met some friends and gained new ones. We have had meetings from Mississippi all the way to New Hampshire over the past month. I have had the opportunity to share the ministry in all of the churches and preach in most. We have saw a good reception to the preaching and saw one soul saved through the meetings this month.

God is at work, and he is continually building our faith in Him. There has been struggles as Satan fights, but Jesus prevails, and we see Him working! We have had a lot of meetings since the start of August when our calendar started getting full, but now, we have very few meetings between now and the first of the year. Please pray that God will open the doors for more meetings to fill our calendar. As we think about the lost souls in the city of Butte, it hurts that we can't be there already. We know we will be there in God's timing, but we desire your prayers more than ever. We are excited to see God work even through the slow times as He provides for our family.

We are now at home through November and looking forward to spending Thanksgiving with family and friends. We wish you all a very happy Thanksgiving as well! We are so thankful for the churches we have already been in and all the ways God has used them to provide for our family. We serve an awesome God and we are privileged to be able to do the work of the ministry.
