Dear Praying Friends,

We serve an awesome God. To God be the glory for all that He has done, is still doing, and will do in all of our lives. Although the last few months have been challenging from a deputation perspective, with meetings being canceled and rescheduled and very few taking place still, God has been at work.

The meetings that we missed during March and May have mostly been rescheduled, with only a few exceptions. We are grateful for the willingness of churches to reschedule, and we are currently working to schedule our fall. Since our original plans were to move to Montana in June of this year, we didn't schedule meetings after the summer. With the perceived setback with the virus and meeting moves, we are going ahead with scheduling for the fall. We put our house on the market just before all the "stay at home" orders started, with the thought and prayer that God would sell our house when the right time comes. We had one showing very quick and then nothing until two Sundays ago, and we had four showings between then and now. We are now officially under contract and scheduled to close early July.

Now comes the planning for our interim housing before we get to Butte, and while finishing deputation. Please pray with us as we try to find housing when we get back from our July trip. We thought God had provided us a house a few weeks back, but that turned out to not be in His plans. We are still waiting to see where he would have us move. In the meantime, we are living with my mom, who is gracious enough to let us store all of our things and share her home.

We are excited to be getting to be in churches once again to share the ministry. We were in Faith Baptist Church of Meadows of Dan, VA this past weekend and we look forward to going to SC for a meeting this Sunday, before our month-long trip to IN, IL, and IA. We thank you for all of your prayers and support during this time. God knows our needs, and He has provided, and used many of you to do it!

As our meetings start back, please pray that our family would be greatly used of God to reach souls for Christ and pray that we would be obedient to God, that we would be able to see people surrender to missions around the world. We are ready to get to Butte, but we are content in waiting on the Lord's timing. We have been able to talk with supporting churches and visit some during this time, and it is always a blessing to get back and see everyone and update them on the ministry! Thank you for your continued support!

In Christ,
Dustin, Melissa, Devin, and Lydia Beck
