Dear Praying Friends,

I pray everyone is having a good summer in the Lord. We are excited to be back on the road and having meetings. We have just finished the month of July, and had some really good meetings, and looking forward to what God has to come. We thank you for your continued prayers for our family and our ministry as we work to get to Butte.

We have driven another 3,800 miles in July for the ministry and we started with five meetings on the schedule with one Wednesday night and four Sunday services. We were also lacking eighteen days to have prophets' chambers to stay in. God worked at filling our schedule and our places to stay. I have shared the ministry in nine different churches and preached ten times. We have been in Indiana, Ohio, Illinois, Missouri, and Iowa. To top it off, we have had a place to stay supplied for every night of the trip! God is good!

It seems that most of the churches we were in have asked if all of the churches we have been in have experienced a hard time getting people to come back to church after the shutdowns. I don't think we have been in a church that has not dealt with this issue, but God is slowly bringing people back together. We have been able to hear testimonies of how God has used the virus to bring new families into churches as well. **God has a reason for everything He allows to happen in our lives, and I am thankful that He is the one in control!**

In our last update, I shared a need for housing as we were in the process of selling our home. We closed on the sale of our house on July 13th, and we were going to start trying to find a place to stay when we returned. We arrived back home on 7/28 and were informed on 7/27 that a home was open for us to rent. We are planning to move into that home sometime in August and we thank you for your prayers for this need.

We are now praying that God would allow us to have the support we need to get to Butte by late Spring 2021, but we are content in His timing, regardless of what we want. Please continue to pray for our family and ministry as we schedule meetings and travel for meetings. **I do want to thank the following churches for hosting us recently, and a special thanks to Harvest Baptist Church for their partnership with the ministry:**
