Dear Praying Friends,

Thank you again for your prayers. We are excited to share that **we have officially moved to Butte!** We closed on our home September 15th and moved in on the 16th. Today is exactly two weeks in Butte and we are starting to get settled in. It's been a lot of work, and more to come, but we want to get it complete before we start the church in April next year.

Over the past couple months, **we have witnessed God doing a great work in our lives and ministry.** We had planned to move to Butte once we hit 80% of our support. We jumped from 76% to 81% and the next day God provided the house! We were able to get the house for \$20K under list price in a market where the average house sells for \$10K-\$20K above list price. **The house is exactly what we had been praying for and more.** The mortgage company called right before closing to let me know they were lowering our interest rate and cutting our origination fee in half. **No explanation, but God.** In addition, a church in Helena brought seven people down to help us unload when we came into town, in which we are very grateful for.

We have been visiting a few churches so far (to visit and provide updates) since coming to town and we are preparing to start scheduling some meetings around the region before the winter hits too hard. This month has been spent concentrating on the move and getting the family adjusted to things. We have some remodel work that is starting next week, so most of our meetings will be close by or no more than an overnight stay.

If your church has not received our new mailing address, please let me know and I will make sure you get it. Please continue to be in prayer for our family and ministry. We are starting our evangelistic outreach by promoting our **"Christ First" campaign via our HopeForButte.com website** that is a gospel presentation page and way of gathering contacts. We will be distributing tracts with the Gospel and promoting the "Christ First" campaign. In addition, **pray for our renovation process** at the house as we will be having our roof replaced in the next couple weeks and also some other renovations within the house. We are trusting Christ to provide these needs. *Please prayerfully consider coming out and helping with canvassing effort in March and April 2022 as well!* **Thank you so much for your faithful prayers and support for our family and ministry here in Butte!** (Find some pictures in the email or separate page)

In Christ,
Dustin, Melissa, Devin, and Lydia Beck
