Dear Praying Friends,

Thank you for your continued prayers and support of the ministry and our family here in Butte, MT. We have received several encouraging letters in February from our supporting churches and even more help toward keeping our house warm! The HVAC work we completed in January was a blessing and has lowered our heating bills back to being manageable as we had hoped for. We are still getting single digit and even negative temperatures, so it has been well tested.

We had been praying for one couple in our church that has only been able to attend services via Zoom for over a month. Susan had fell when leaving the house on a Sunday morning and broke her arm. She had to have a significant fix with surgery to repair it. She goes this week to hopefully get the "all clear" from the doctor and they showed back up at church yesterday for the first time!

We have finished up our new members classes for our first group of prospective members. Some of the newer Christians have some questions and we are looking to meet with them and use it as a teaching opportunity soon. God is continuing to work in our regular attendees, and we are excited to watch them grow in the Lord.

We have also had a couple men come in over the past few weeks that we are praying would start coming on a more regular basis. We have not been able to get out as much as we would like due to the weather here. However, we are planning to ramp up our outreach as soon as the cold weather breaks a little. We are also in the planning phase of our first VBS for June of this year. Our sending church is currently planning to bring 25 people out to assist us and we are planning a first responder theme. Pray for wisdom in the planning of this as I try to find the right lessons for it (If you know of a good curriculum for the theme, please share).

Thank you again for your prayers for our family and Grace Baptist Church. We are humbled by your faithfulness to support our family and blessed to have so many prayer warriors around the country and around the world for our ministry here. I pray God's blessings on you all.

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
