Dear Praying Friends,

**I hope everyone had a great Thanksgiving with their family and friends.**

We had a good Thanksgiving, with some from the church meeting at the house for a meal. It was a good time of fellowship for us all. On Sunday, I preached from Philippians 4 to help us see some reasons always to be thankful. Paul encourages us to *"Rejoice in the Lord always."* God is good all the time!

**The church had its first communion** a couple of weeks ago, and it was good to partake again. Some of our members had partaken of the Lord's Supper in the past under the Catholic Church but have since been saved and able to partake for the first time, the right way.

As I mentioned in the last letter, some of our members and guests have some medical conditions they are working through, and I ask continued prayers for them. One of our guests, who has been with us for a couple of months, just had a cancer spot removed from his neck on Monday, and that will be followed up with radiation treatments. We are praying for his healing and that no cancer will return. Our membership has other health issues, and God knows the details.

The church is doing well, and the membership and regular guests remain faithful and growing. We had a first-time visitor this past Sunday, who was invited by one of our members who has been loyal to invite others. Our family has also been doing well. Devin is still working at Walmart and seems to enjoy it. Lydia is practicing her violin and learning some Christmas songs. She seems to pick it up quickly for never having played an instrument before. Lydia has also been having more opportunities to visit with some other pastor's children in the area, and she has enjoyed that time, which is an answer to prayer.

We are grateful for each of you who pray and support us every month. You are all a blessing to our family and ministry here in Butte. As winter quickly approaches, pray for our safety on the roads and that the Lord will continue to meet our needs here in Butte as I know He will. I believe your prayers allow us to continue the work here. God bless you all!

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
