Dear Praying Friends,

The month of March has been another good month for our family and church in Butte, and we look forward to April, when Grace Baptist Church will celebrate three years since its grand opening service. We are grateful to each of you who have given to support our ministry both financially and prayerfully. Our support has gradually decreased as churches have closed, and a few churches have ended their support (as they had only planned to provide it for a limited time). Thankfully, some churches have also increased their support or voted to continue supporting the need for the duration. Please be aware that the church can support itself, but our family truly needs your support to focus on the ministry full-time.

We are thankful for the church God is building here in Butte, and we appreciate your prayers for our members and visitors to our church, as Satan is fighting back. We know that we have the victory in Christ, and we look forward to seeing Him guide through the struggles of our families.

We are still experiencing snowfall, which makes some of the outreach opportunities a bit more complicated, but we do have some favorable weather ahead (for a while, at least). We just received close to seven inches of fresh snow over the past couple of days, but temperatures are expected to increase into the fifties by the end of the week. We look forward to getting out into the community to share the gospel very soon as a church.

Pray for me as I have a sleep study next week as they are trying to figure out why I am having more than normal PVCs with my heartbeats. They have already ruled out a few things and now think it could be due to sleep apnea. They also want to do a stress test at some point (although they believe my heart is fine). I keep putting that off due to financial reasons, but eventually, I will need to get that done as well.

We appreciate all of your prayers and support of our family and church in Butte. You have been and are a blessing to us as we serve Him together.

In Christ,
Dustin, Melissa, Devin, and Lydia Beck
