Dear Praying Friends,

We thank God and each of you for your faithfulness in supporting our family and ministry here in Butte, Montana. We missed a month in writing our prayer letter, so I want to do my best to give a good update of everything this month. I am sorry for the delay. God continues to work here in Montana, and we are excited to share what He is doing.

I will start with June, as we went to the **Western Baptist Missions Warehouse annual meeting in Gillette, WY**, and had a great time with other church planters from throughout the Northwestern USA. This is always a great time of refreshment and fellowship for our family. This was the first year Devin could not go with us, but he was just getting started in his schooling with the Marines. He is doing well, and we are looking forward to traveling out for a few days and seeing him soon.

In mid-June, we had a **soulwinning conference** where Pastor Avery Varnadore from our sending church came to teach our church more about soulwinning. Almost every member came out on Sunday, Tuesday, Wednesday, and Thursday night that week. We even had a few regular visitors come outside of our membership. We have already heard stories of some of our church children using the techniques that were learned to witness to friends. We have struggled to get the church together for organized outreach this summer due to various reasons, but we are trying to get back out as soon as we can. In addition to the soulwinning training, Pastor Avery and his wife were with us for a week, and we enjoyed much-needed fellowship. I am thankful for my pastor and my sending church for allowing them to come out for this time.

In July, **we held a VBS** (July 16-18) in two separate parks here in Butte. The logistics get a little challenging, but we are thankful to have had members of East Side Baptist Church of Memphis, TN come out and help us this year. They were a great group to have, and they helped us door knock and canvas many homes with the gospel and VBS information. Our regular church children attended, along with five other children. Storms during the week were bad during the VBS times, but we are thankful for those we had and are praying we see them again.

August was a time when we calmed down a little and got back into our normal routines. Our membership has been faithfully attending, along with some visitors we have had for several months now. We appreciate your prayers along the way and pray for us as we drive to Monterey, CA, soon to visit Devin. God bless.

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
